

“The innovative potential of science and research can be fully leveraged only if outstanding talents, regardless of gender, work in large numbers in science and academia and do not drift off into other occupational areas even as they approach their peak performance. Men and women must be given equal opportunity to participate in all levels of scientific inquiry.”

(Recommendation by the German Rectors' Conference on promoting women, 14th November 2006)

The Collaborative Research Centre 854 is inviting you to the Interdisciplinary Meeting

„Women Power at Work“

This Meeting will provide a platform for brainstorming, networking and sharing experience with other colleagues within talks, workshops and discussion rounds.

Prof. Dr. Brooke Shaughnessy
Ludwig Maximilians University Munich

Prof. em. Dr. Hildegard Macha
Director of the Gender Centre Augsburg, University Augsburg

Angelika Trübswetter
Fraunhofer Center for Responsible Research and Innovation in Berlin

Dr. Britt Dahmen
Department Gender Quality-Management, University of Cologne

Dr. Sabine Preusse
RaumZeit e.K. Coaching Beratung Training

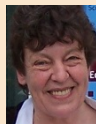

Prof. Dr. phil. Petra Lucht
Centre for Interdisciplinary Women and Gender Research (ZIFG), TU Berlin

Dr. Patricia Aden
Deutscher Akademikerinnenbund, Berlin (German Association of Graduate Women)

Dr. Dagmar Höppel
LaKoG - „Landeskonzferenz der Gleichstellungsbeauftragten an den wissenschaftlichen Hochschulen Baden-Württembergs“, University Stuttgart

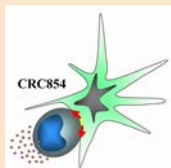

Dr. habil. Ingrid Haas
Freelancer as Biologist and Personal Coach

Dr. Anja Vervoorts
Heinrich-Heine University Düsseldorf, Equal Opportunity Commissioner of the Medical Faculty

9:30	Arrival, Welcome Reception (Coffee)
10:00 - 10:15	Welcome Addresses
	Prof. Dr. med. Burkhard Schraven (Speaker CRC 854) and Prof. Dr. rer. nat. Dunja Bruder (Speaker MGK)
Chair:	Dr. Tina Schnöder
10:15 - 10:45	Prof. Dr. Brooke Shaughnessy
	Negotiation basics for women: Common pitfalls and success strategies
10:45 - 11:15	Prof. em. Dr. Hildegard Macha
	Gender equality in the academic career
11:15 - 11:45	Angelika Trübswetter
	Attractiveness of scientific careers – gender specific motivating factors and obstacles
11:45 - 12:15	Dr. Britt Dahmen
	Academic reforms and gender policies
12:15 - 13:45	Lunch
Chair:	Dr. Sabine Brandt
13:45 - 14:15	Dr. Sabine Preusse
	Developing research teams – a key to successful projects
14:15 - 14:45	Prof. Dr. phil. Petra Lucht
	Integrating gender and diversity aspects into science and technology research
14:45 - 15:15	Dr. Patricia Aden
	University career and the modern concept of family
15:15 - 16:00	Meet the speaker
16:00 - 17:30	Workshop 1 and 2 (in parallel)
Workshop 1:	Prof. Dr. phil. Petra Lucht
	How do I identify and consider gender and diversity aspects in my research?
Workshop 2:	Dr. Sabine Preusse
	Skills and competences for a career in research – the Researcher Development Framework
18:00 - 21:00	Social event and dinner with speakers and CRC 854 members

In cooperation with Collaborative Research Centre 854
